## 1/8" STEEL FLOOR

The 14LD comes equipped with a durable 11-Gauge Steel Floor, designed to withstand demanding conditions and provide lasting performance through the test of time.

## STRENGTH & VERSATILITY

As the 14LD has a 2" square tubing top rail for added strength, to complement the stakepockets for added cargo control and ability to support after-market side extensions.

## CONVENIENT DOUBLE BARN DOORS

Double barn doors make it easy to load and unload cargo and aggregates, providing easy access and a more efficient handling experience.

## EFFORTLESS MAINTENANCE

Our forward self-adjusting brakes make brake maintenance a breeze. The system automatically adjusts the brake shoes as they wear down, eliminating the need for manual adjustments.
